MOST42INLINE – Open Vršanská uhelná marathon, Mosteckej tucet, kids races, night skate, supporting program. Great weekend out for whole family.

Electronic timing

Event performance will be measured by transponder technology provided by APACHI s.r.o. All competitors receive timing chips at the presentation. The chip must be securely attached to the left or right ankle. All skaters also receive a race number that must be attached to the left or right thigh (subject to the race) and visible all the time during the race. Only one chip and one race number are issued per competitor and they can be used for all races during the day. The chip must be returned immediately after the race. If the timing chip is not returned after the race, you will be charged 500 CZK (20 EUR) for the chip.

Disputes

Skaters have 30 minutes after unofficial results are published to dispute before results become official. All disputes are subjected to non-reversible fee 500 CZK (20 EUR). All disputes will be resolved in accordance with CRSA (Czech roller skating association) Competition Rules.

Safety rules

All competitors are required to have a properly fitted helmet on their heads. Skaters without a properly mounted helmet cannot participate in the race.

Wrist, knee and elbows protector pads are highly recommended in all kids races.

Definition of permitted helmet:

"The protective helmet has to be fixed on the surface of the shell and be internationally certified. Helmet in the race with a mass start must be the usual shape without sharp edges and ends."

Disclaimers

The organizers take no liability or responsibility for injury or for property damage of the persons participating the any race. All participants start at their own responsibility. See the regulations CRSA (Czech roller skating association):

"Organizers bear no responsibility for material damage and damage to the property of the people involved. The exception is damage caused by willful or gross negligence, as well as damage caused to people (injury to life, body and health). This also applies to employees, agents or officers and other persons whose services the race organizers use during the event."

Anti-doping control

Championships road race marathon is an official race of CRSA (Czech roller skating association) and for this reason there may may be a random doping control of licensed athletes.
